FOR RENT
LAND GIRLS
 Taranaki LandGirls invite you to join them on Thursday 29 June, 6:45pm at St. Marys Peace Hall Lounge, 44 Vivian Street, for an evening with Dr Susan Oldfield to learn about the benefits of integrative medicine.
 By working on improving diet, nutrition, environment and lifestyle, integrative medicine combines conventional medicine with well researched natural based medicine. It is a more individualized approach, taking into account mind, body and spirit, as well as ones place in the community.
 RSVP by Tuesday 27 June would be appreciated, to Shonagh Hopkirk on 06 752 0889 or shophkirk@gmail.com.

Lions Ready To Launch Mini Golf (Pat Julian)

Thanks to the support of the local business community Inglewood Lions will shortly commence construction of their new Mini Golf Course on the corner of Rata and Elliot Streets, next door to the Inglewood Swimming Pool.

Since its adoption as a Lions Centennial Year Project, this project has received tremendous support from the TET and local community, even Rotarun Lene Forsells has been co-opted to assist with the design of the all-weather roof which will probably be a first, while local businesses have been quick to take up sponsorship of the 18 holes.

The attached site plan was developed from the original plan submitted to Lions by President Pat, by local Landscape Architect Carina McQueen after NPOC Parks and Reserves staff encouraged by Councillor Marie Pearce, had given the site their blessing and shepherded the Lions application through Council.

With Graham Robinson chairing a working committee, the decision was made to include a roof over the complex so that we have an all-weather facility and while funding is in place for the original concept, plans are already afoot for the extra funding required for the roof.

Planning is for the annual profits from the Mini Golf to be split among the organizations who assist with manning the complex, so it is a win-win situation, on one hand we add another attraction alongside our world class Mondo Track which means that Inglewood should become a destination for visitors from around the province and wider afield, and on the other hand, we will be able to help all our voluntary groups who currently struggle with funding.

St Patrick's Senior Camp 2017 (Emma Gye)

The senior class are getting excited about their upcoming camp to Rotorua in October. The year 5 to year 8 students are busy fundraising for their camp, which happens every three years.

There have been sausage sizzles, a cake sale and raffles. We participated in some riparian tree planting at the chicken farms on Bristol Road.

The children have all been involved in selling hot lunches to the school children. These have included pizzas, wraps and nachos, hot dogs are coming up with lots more ideas from the children too.

Other fundraising events coming up are: Garage sale, quiz night at the Good Home on Monday 26 June at 7:00pm, car wash, firewood sales and more raffles. Watch for information about these events.

If you are interested in putting a team in for the quiz night or buying firewood (\$50/m3) please contact the school office.

INGLEWOOD HIGH SCHOOL
 OPEN AFTERNOON – Thursday 29 June, 1.00pm to 3.10pm
 Parents and students interested in enrolling at Inglewood High School for 2018 are invited to our Open Afternoon. The programme will begin on time at 1.00pm. The programme includes:
 • an introduction to the school and key personnel.
 • a tour of the school.
 • opportunities to see and participate in the school in action.
 Enrolments for next year will be taken at contributing schools in August or at the high school. For more information please visit our website: www.ingledwoods.school.nz or phone 7566148.
 We believe that constant effort ensures success; our school aims to produce young people who are confident, creative and connected, with a desire to excel. We look forward to welcoming you.
 constantia vincit

Norfolk WI News (Maureen Bunn)

We met at noon at Nola and Arnold Koch's home for soup and snacks for lunch. With a \$5 charge, we made a little money, thanks to the two Nola's who provided the tasty soup.

Maureen: "If life becomes hard, soften it with random acts of kindness."

Our guest speaker was International Teacher Janet Field who came across the road from her Mum Judy's home. Janet was back in Inglewood for a time to finish her doctorate, after teaching in Te Anau for thirteen years, Cambodia six, Vietnam three and Norway for nine, thirty seven countries in total. She has been training the teachers and giving reports (a bit like ERO).

Janet told of the Cambodia elections, the huge Mekong river, no hot water, washing clothes in the bath. Janet was invited to a wedding – a sort of progressive dinner around the village. All blessed multiple times and ended with pretending to cut the brides hair – one of the rituals.

People were very keen on community services and help at the orphanages, project housing and North Cambodian jungle triles.

In Norway with the temperature minus 10 degrees Janet took students to visit London, Paris etc.

An interesting afternoon full of wonderful tales of her very adventurous life, thanks Janet for sharing some highlights with us.

Nola Koch presented her with a gift followed by a short meeting and another cup of tea.

Photography News (Viv Adamson)
 At the recent AGM Inglewood Photography Group elected the following President: Brian McGregor, Vice President: Rob Smith, Secretary: Viv Adamson, Treasurer: Myrianne Sam. Committee: Cody Huta, Michelle Wilson, Joy Jones, Linda Barnes, Syd Hardy and Adrienne McGregor.
 The June tech night saw seven members brave the beautiful cold night to try their hands at night photography using techniques such as light painting, slow shutter and long exposures to capture interesting images. A great learning curve.
 The topics for June were: Anzac or Night and open. Harry Cast, a New Plymouth photographer was the evaluator. He commented on how much thought and planning had gone into the set subject category. Open: Phillip Andrews – Native penguin, Anzac/Night 1 – Viv Adamson – Red eyed tree frog and Rob Sweney – Night painting. Harry showed and discussed some interesting images he had taken on a recent trip to Niue Island – an island which is often overlooked by the tourists. For further information on our club contact Viv on 7568232 or Viv Adamson 7522846
