

**Special Olympics At TET Stadium**  
Last Sunday 50 Special Olympics competed in walking, running, relay, softball throwing, shot put, long jump, and javelin at our local TET Stadium. The games were opened in the morning by Mayor Andrew Judd on a spectacular cloudy summer day with clear blue skies and a spectacular backdrop. The competitors came from Wellington, Hutt Valley, Manawatu and North Taranaki. Twenty one volunteers ensured the day ran very smoothly, with the track events in the morning and the field events in the afternoon. Special Olympics needs your help, on the 1st of April they have an inter-secondary school athletics event at the TET Stadium and need volunteers, recorders, officials and marshals. You don't need experience, just enthusiasm, give Julia Sanson a call or text on 0272 994734.

**SHOPRITE** Specials End 23-02-2014  
8pm Every Day  
NZ Sweetcorn 3 for \$2.00

Heineken 330ml 12 Pack \$22.99 ea

**Editor's Comments**  
What an great asset our TET Stadium is, with its world class all weather tracks in Taranaki (and one of the best in the country). The track and its associated facilities, numerous events to bring numerous events to our district. Those with the foresight and drive to develop a diverse our gratitude and praise. It certainly helps the struggling in the province and also attracts large national competitions. The Taranaki Masters games are coming to go down there and check it out while giving some of their more senior athletes some encouragement.

**Ricki Herbert Football Academy Returning**

This very popular program is again being hosted by Ingwood AFC in the April school holidays. On Sunday April 27 and Monday April 28, in the 'Moat' facilities Grass Roots Program. The club is delighted that former All Whites' coach Ricki Herbert will be offering the opportunity to attend a 2 day program aimed at keeping kids active in sport. This will see players take to the fields for 4 hours of quality coaching, wellbeing, and hydration. The grass roots program will see players from each age group (5-7 years) given the opportunity to learn from Ricki Herbert himself and his team of academy coaches. Following that they will be running their course for 8-15 year olds. This will be on Tuesday 27 April, Wednesday April 30, and Thursday 3 May starting at 9:00 am each day. It will be 4 hours of football. This will be the third Ricki Herbert make thing happen, rather than let things happen. It is the only way to secure the success for the community. Makes you think doesn't it?

**Durham WI Visit Pukekura Park**

Watangi Day proved to be the ideal afternoon to visit Pukekura Park. Last night members were able to take advantage of the prearranged mobility buggy to visit their four courteses. The remainder were happy to wander along exploring whatever trail took our fancy.

**Rotary Club**  
We're here to help, visit RD1 Ingwood today.

**SEASONS COMPANION**

Here is your chance to help 5 - 18 year olds who are facing loss and grief. Train as a group facilitator: "Companion" and become part of a dynamic team in Taranaki. Free training will take place on 23-24 March 2014 at St Chad's Church Hall, Omata Road, New Plymouth. Phone: Diana Lawrence (NP) 021 150 9277 or Judy Wood (South & Central Taranaki) 0800 765 629

**Norfolk WI News**  
Mela Verry greeted over an attendance of ten plus one visitor. We are delighted to find we were changing the venue to the Stranford or New Plymouth programs. Recently the organization received funding from the TET, specifically for capacity building in and around Ingwood. One really good way to make use of this gift, is to train more volunteer group facilitators (known as Companions) from the town. The next Companion training weekend will be held in Taranaki, over a weekend at the end of March, or beginning of April, to fit in with those involved. Training is free and includes access to a helpful manual, amongst other useful resources. Being a Companion means being part of a team of really special people, who care about the wellbeing of Taranaki children, and their families. To find out more, please contact the Coordinator, Judy Wood, at 0800 765 629 or centraltaranaki@seasons.org.nz and visit www.seasons.org.nz for more information.

**Gardening Clues**

Spring onions are easy to grow and very tasty. They're attractive enough to be interspersed in a vegetable garden. Start your spring onions in the protective shade of low growing plants and allow them to grow up into the full sun. February's the ideal month to feed citrus and fruit trees. Dynamic Liker PLUS Flower Food is a great blend of organic and inorganic, will enhance fruiting and benefit the soil. Feed roses with Dynamic Liker PLUS Flower Food to encourage a spectacular display. You should also prune roses fruit trees, such as plums and peaches in February, making sure you wash and you've finished harvesting late cropping varieties. Weeds are abundant in February. Spray weed growth with Zero, using a sheet of cardboard to shield wanted garden plants from the spray. Vegetables in the courbe family - cucumbers, pumpkins, aubergines, melons - are very prone to powdery mildew disease in late summer. Spray younger plants with Yates' Nature's Way Fungus Spray, but with older plants that are past their best, pick remaining fruit and then discard. Watering is a major job in February. Watering is best done in the early morning. But if you have to do it at night, try to water the soil, rather than the plants. This keeps leaves dry and reduces the risk of fungal disease. Tomatoes are in such abundance in February that it can be hard to keep up with them. Use them to make tomato sauce or keep your friends happy by sharing the excess. Continue feeding plants with Yates' Three Concentrates Tomato Food. Yates' Nature's Way Fruit & Veg Gun will take care of most tomato pests and diseases.

**St Patrick's School News**  
A great start to the year with the children returning to school on Monday. We are excited to welcome Michelle Pyle to our teaching team and Krissy Atkinson as a trainee teacher's aide. There has been a lot of building work completed at the school over the holidays with earthquake strengthening and modernisation work done in the main block of the school. It is all looking very good and we are very excited to be moving into these new learning spaces very soon. We are grateful to Livingstone Builders who have done a fantastic job in constructing the build and for working so hard to get it all finished as soon as possible. We will have an official opening of this block in one and look forward to the community coming to see what has been done.

**SHOPRITE** OPEN 7.30am to 8pm Everyday 06 7567404

**Becks Beer \$19.99 (12 pack)**

**High School**  
We're having a great time at school. We're looking forward to the new learning spaces very soon.

**Marinoto Update**

Just prior to Christmas the Ingwood Welfare Committee joined with the family at Marinoto to celebrate Christmas. We were served delicious Christmas food and committee members Dorothy Horwell and the Christmas cake. The committee will be distributing the distribution of Christmas presents to all, and a wonderful afternoon. Thanks go to Jenny and her staff for all their hard work. The Ingwood Welfare Committee is committed to providing a home away from home at Marinoto for people who can no longer remain in their own homes. We are continuing renovating and improving the facility. At a recent meeting we were pleased to note that the renovation of another bedroom had been completed. The committee has a schedule of continually upgrading the facility to benefit both the residents and the staff. The Ingwood Welfare Committee is very fortunate that we have some excellent local tradesmen who view Marinoto as a special part of Ingwood. When a job needs doing which is some way outside the town it is as quick as possible so that the disruption to life at Marinoto is kept to a minimum. The committee value their relationship with the people of Ingwood and is committed to keeping Marinoto a place where our district's older folk may choose to live and call their home.

**Norfolk School's Community Harvest Festival - Update (Vicki Hart)**  
Only two more days to go to this awesome community event! Bring on the fine weather. Our goal 'To bring the community together, strengthen our connections, to have fun and to harvest a new experience!' Just a reminder that this event is open to everyone in the Taranaki Community and beyond, anyone young or old can enter any of the following competitions on the day: Pumpkin Growing, NO B O L K Vegetable Growing, Savoury & Sweet Score Bake Off and Sarcorum. The Durham Welfare Committee has again kindly volunteered their time and will be judging the competitions. Entries close at 5:30pm sharp on the day and the judges decision is final. Entry forms are available from Norfolk School or Studio 74 Flowers and Gift Shop.

**The Norfolk Community's Harvest Festival:**  
When: Friday 21 February 2014  
Time: 10:00-5:00pm  
Where: Norfolk School  
Who: Everyone is welcome

**Rotary Classic Car Show**

Rotary Classic Car Show was one of the most successful with 175 cars, trucks, motorcycles and ex-army vehicles. The weather wasn't very kind but the sun shined on a southerly blast, but this was made up for with a good attendance by the public. Member of the Ingwood Volunteer Fire Brigade displayed their skills with a jive-life demonstration which drew an appreciative audience. (The Brigade was the beneficiary of this group of vehicles dating from 1906 to some of today's finest. This included a Ferrari, a Ford Mustang, a 1910 Albiys and Onions, Jaguars, and of course, American muscle cars.) 2014 is also the 50<sup>th</sup> Anniversary of the KRM Mustang and several examples of this iconic car were on display.

**Fire Brigade News (Karl Shillingford)**  
As from Ingwood Volunteer Fire Brigade, it's been a bit quieter lately, so that's a good sign this group of people are taking care out there. Thanks to the Rotary Club for inviting our brigade to be a part of the Ingwood Car Show held on the 1<sup>st</sup> February at the Ingwood High School. There was a good gathering of car enthusiasts and it gave us the chance to put our skills to the test, by putting on a display for the people that had gathered to enjoy the day.
