

Dr Diane Jones Receives Citizens Award

Congratulations to New Plymouth Doctor Diane Jones who received a District Council Citizens Award on Thursday night. Established in 1979, the annual awards honour residents who go the extra mile and make a big positive change to lives of people in their hometown and recognising the contributions the residents make to the district.

Dr Jones has been heavily involved in the Inglewood community for more than 40 years. She is one of the town's best General Practitioners, having served as a GP for 36 years. Diane has been involved with St John in Inglewood for a long time. Her advice and support were key to the design and construction of the St John Clinic in Inglewood.

Mayor Holdom acknowledged the "unselfish commitment and service" of the recipients. "The winners are role models for people of all ages and demonstrate just what can be achieved when individuals decide to work for the benefit of others. The New Plymouth district is recognised as a truly special place to live, learn, work and play because of their immense work."

Nominated by the public, recipients are then selected by the Mayor and Councillors. "These exceptional people make a huge difference in helping others and improving the lives of many people in the New Plymouth district," says Mayor Holdom.

Moa Mail Comments

Messages to those who submitted our town letters, you may think your Graffiti Removal form, but I can tell you that we, the owners of that facility do not. We suggest you apply your artistic talents to your parents house. I am sure they will show their appreciation. To the artists or anybody who leaves their identity please advise the police or leave their contact details at the Moa Mail office and we will pass them on.

Norfolk W.I News (Alison Paterson)

On Monday the first Norfolk W.I members travelled to the Ball Block home of John and Margaret Jordan for our July meeting. It may have been blowing outdoors, but indoors we were very comfortable with extra warmth provided by the gas fire.

John Jordan was our guest speaker, and gave a good outline of what he had experienced over a span of many years as a member of the team who help people if in difficulty on the mountain either lost or injured. The rescue helicopter is a valuable asset to help at these times also. It was a fascinating and interesting account. Our meeting continued with Federation president Hazels newsletter being read with news of coming events for members to attend. Betty read an extract from home and country magazine. Another lovely afternoon came to a close after a cup of tea and a catch up chat.

Holiday Fun With Inglewood First (Vida Hartness)

Although it once again rained last Monday afternoon it did not stop hundreds of children and their parents/grandparents turning up for the Inglewood First Trust FREE Fun Afternoon for the children.

There was plenty to entertain the children face painting, magic show, basketball, indoor slide, bows and arrows, bumper balls and as in previous fun afternoons the children behaved so well, they were patient and polite.

Inglewood First Trust will probably hold another afternoon such as this during the October School Holidays. ITF are always very appreciative of the support given to us that enable us to hold such events, by the Taranaki Electricity Trust.

Rotary Club of Inglewood

Inglewood Rotary Club changes its President every July. With this change comes an opportunity for members to be encouraged to take on new roles and board positions. Recently Rotary held their Presidents Changeover where we welcomed 20 Rotarians and family for dinner and celebrations. Polishing off in fine style his last meeting as President, was Noel King. President Noel took great a pride and pleasure in announcing to the members and guests he bestows the prestigious award of Paul Harris Fellowship to Donald McIntyre. Donald's selfless and continued generosity to our club for over 13 years and in the wider Inglewood and Taranaki communities makes him a worthy recipient. A Past President of the Rotary Club, having served on the Inglewood Community Board, chaired the Taranaki Branch of Federated Farmers and currently serving as an elected councillor on the Taranaki Regional Council and many donations of most for the community kitchen all touch on Donald's willing contribution to the community.

After this presentation President Noel passed the chain of command to the new President Jim Callaghan. Jim outlined his aims for the year of 2024/2025 and welcomed his board members.

President Jim asked Kevin to come forward so he could present Kevin with a well-deserved Paul Harris Fellowship in recognition of the valuable contribution Kevin has made to the club and our community since being inducted into Rotary in 2016. Kevin's involvement, ideas, marketing and sponsorship of the Charity Car Show and his business BBQ during Americana has had a tremendous impact on the fundraising activities of the club. Kevin's engagement and contribution to the club and community is richly deserving of the highest accolade that Rotary can bestow and President Jim, members and guests showed their appreciation by acclamation.

We meet at Rotary House on Moa Street, Inglewood, Tuesday nights at 5:45pm for a dinner meeting. If you are interested in attending a meeting please message us via Facebook page or email the President on rotary@inglewood.nz

Lions News (Wendy Orens)

Inglewood Lions Club celebrated the long service of three members earlier in the month by presenting both Graeme Steele, Bob Jackson and Terry Yates with Life memberships. We also presented Wendy Orens with a Lloyd Morgan Honoured Recognition for Services to Lions.

Preparation for our Annual Fertilizer Drive is underway, with bagging of fertilizer to be done early in August, and the fertilizer to be delivered to the community on the 17th August. We will be delivering order cards into mailboxes soon, if you have not received one please contact Peter Stachurski on 027411622. There will also be order cards at Fun Ho! National Toy Museum.

This is always a very successful project and we appreciate the community getting behind it so we can raise money for those in need. Inglewood Lions is currently fundraising for a New Natal room in the New East Wing of the Taranaki Base Hospital. We are selling raffle tickets \$5 each. If price is an 8d trailer complete with a load of fire wood, 2nd prize is \$500 vouchers and 3rd prize is \$300 vouchers. If you would like to purchase a ticket, please either phone Terry 02163199 or Wendy 027266307 or check it out on Facebook.

We also have tickets at the Inglewood Book Shop, and weather permitting we have been having a stall at the Sunday Car Boot Sale. If you would like to join Lions or come along to take a look at what we do please contact Wendy on 027266307.

Inglewood Volunteer Fire Brigade (Alexander O'Donnell)

The teams have been busy with 61 callsouts (as of 30th June) as well as many of our members away on courses and taking part in the 2023 Firefighter Sky Tower Challenge.

Calls that we have had ranged from car crashes, PPA's (alarm activations), structural fires, and medicals, just to name a few.

These have not just been in Inglewood but in New Plymouth, Waitara, Leppington and Stratford. As we move through the wet and colder time of the year we all know what it's like trying to get washing dry so we all need to be using the Heater rule and to remove the lint from the dryer.

If you'd like to stay up with what we are doing look us up on Facebook: Inglewood Volunteer Fire Brigade.

NEW FACILITY MANAGER AT MARINOTO (Martin Vallejos)

Marinoto Rest Home had a powhiri for the new Facility Manager, Roopesh Rajan, on Monday 15th July. Inglewood Welfare Society, resident families and staff were present to hear welcome messages in Te Reo, Hindi, and English, and waiaata, and to share morning tea together. Particular mention goes to the residents singing a waiaata led by Taumaranga from Waitara.

From Roopesh: "I am thrilled to join Marinoto, BVS and the exceptional team. My name is Roopesh but you can call me Roo. I have a wonderful wife pursuing research studies in Auckland and two daughters, Ravena and Nikita. My upbringing instilled in me empathy, compassion, and respect for others. My academic background includes a bachelor's in hospitality administration and a master's in business administration specialised in HR and finance. I have worked across Asia, North America, and now Oceania. I am dedicated to fostering strong community relationships and ensuring our residents feel safe, respected, and cared for. I believe in 'putting people first' - take care of associates, and they will take care of our residents. I love Inglewood and look forward to exploring more of its wonderful nature and connecting with the great people here. This community truly feels like home and I am excited to be a part of it. Together, we will make a positive impact on the community and residents."

BVS and the Marinoto community are delighted to have Roo as Facility Manager and look forward to working with him.

Squash News (Pauline Stachurski)

This month we changed our usual Thursday evening meeting to a Sunday afternoon. Originally we planned to have a baking session at the hall, but practicalities meant it made more sense to bring our home baking to the hall by taking our collection of baked goods to the Nurses at the beginning of the week it meant more of the people they visit would receive a fresh treat. Our Community is so fortunate to have the services of IDHT.

TET Trust Grants
 April-June 2024

Inglewood High School - \$40,000.00 for nurse salary for next 12 months.

 Inglewood First Trust - \$99,000.00 for operating costs, premises Inglewood and hanging baskets.
 East Taranaki Environmental Trust - \$99,950.00 for predator control, wages and operating expenses.

Inglewood Football News (Katie Bishop)

The season is well into it's second half of the year and with school holidays upon us we have finally had a moment to share what has been going on this year at Inglewood Football Club.

I am sure many of you will have seen the 'sea of grey' as I have been told about from Inglewood Primary school of our fabulous sponsored hoodies! These have been proudly sponsored by three local businesses with a total of 118 hoodies given to our youth 9th grade and up teams. A collaboration of Jacqui Hemi, Mike Pero Mortgage Broker, The Burns, Kasey and Lisa and myself Katie Bishop NZ Travel Brokers teamed up over a cuppa with the idea of giving something practical.

These can be seen at school, practice, tournaments and of course the weekly Saturday games. The idea was simple, give our children something that is their own, warm on those chilly Saturday mornings and be proud to be part of our club. The unified grey when turning up to the Kings Birthday tournament was fantastic.

As is the trend, pricing has increased everywhere. We as a committee decided early in the year to keep our subs the same price and focus on fundraising and sponsorship. The Father's Day rolls was a success, followed by the weekly sausage sizzle and Quiz night on 20th July. Some new Senior team sponsors are onboard, JLE sponsoring the Premiership team, Elio Canvas continuing their support of Division 2 and a combination of Gravy Signs and Plates for Living, Philippa King sponsoring the Women's.

On Saturday 13th July we hosted the inaugural First Kids and Fun Football Festival. A Tournament for our younger players, ages 4-8years old. Teams turned up early to find our fields set up, sign posted and the sausage sizzle going. It was a fast paced, full-on morning with 22 teams entered. From this very successful, well organised morning we have already received feedback asking when our next one will be. Plenty happening on and off the pitch in 2024!

Above Top: Katie Bishop, Jackie Hemi, Casey Burn and Lisa Smith sponsors of the new shirts. **Below:** Inglewood 12th grade Force showcasing the sponsored sweatshirts.
